SUBJECT INDEX

Aggregate meat consumption model 355
Assessment of fabric conditioner 367
Attitudes towards money 391
Bacterial survival on fabrics 57
Barrier fabrics 75
Beef, consumer perception of 13
Clothing preferences for thermal comfort 187
Commercial laundry detergents — liquids 267
Commercial laundry detergents — powders 145
Composting 197
Computer attitude scales 275
Consumer perceptions and the environment 207
Consumer perceptions of beef 13
Consumerism and school uniforms 117
Consumers' credit cards and international students 173
Consumers' food safety concerns 137
Country of origin/apparel choices 87
Customer orientation audit 1
Dairy product consumption in South Korea 39
Detergents and bacterial survival 57
Disinfectant action of detergent 67
Environmental marketing 207
Food habits 197
Food safety 233
Healthy eating 299
Hispanic consumer food safety concerns 233
Household consumption and waste production 197
Household expenditures 325
Household resource allocation 245
Housing adequacy 283
Leisure provision and usage 343
Low-temperature laundering 67
Mail order shopping 377
Microwave ovens 105
Nutritional knowledge and practice 299
Pre-retirees' assessment 283
Rural consumer households 153
Safety of U.S. food supply 137
Salt and salt substitutes 305
Thermal comfort 187
Time use patterns 99
U.K. marketplace characterizations 313
Video cassette recorders 105
Waste management 197
Weight status and weight dissatisfaction 227
Western Germany, rural consumer households 153
Women's work status in Haryana 99
